# DUO FOOD CONTACT

... conform to food law!

**DUO PLAST, the specialist for high quality stretch and wrap film, presents  
DUO FOOD CONTACT,  
the stretch film that is especially certified for direct food contact.**

## Your benefit – advantages of DUO FOOD CONTACT

- Ideal for direct contact with all kinds of food
- Confirmed by a declaration of conformity concerning food regulations from a well-respected testing institute
- Production according to the global hygiene standard BRC / IoP
- Environmentally friendly and easily recyclable due to being 100% polyethylene – free of PIB
- Excellent transparency or consistent translucent blue colouring
- Extreme extensibility and low noise processing
- High puncture and tear resistance in longitudinal and transverse direction
- Excellent adhesion properties for best connected film layers
- Enormous restraining forces for high transport security
- Completely smooth outer side prevents the sticking together of pallets
- Meets the latest regulations (EU regulation no. 10/2011)
- Specifically developed and certified for direct food contact

## Fields of application

- Suitable as primary packaging for all kinds of food
- Packaging of raw materials for food production

## Product versions

- Film thickness 12, 15, 17, 20 or 23 micron
- Adhesive strength inside or outside, strong or normal
- Available in transparent or blue-translucent
- Machine or hand rolls
- Available with or without double edge (DDK)
- Special version on request
